

ATTACHMENT I

Proposed Draft to Air Information Division 1A1, Library of Congress

1. In connection with a research project currently being conducted, your assistance is requested in supplying available information about the reorganization of the electronics industry of the USSR.
2. This matter has been informally discussed with Mr. Mikhail Kwapiszewski, Assistant Chief of the Air Information Division; Mr. Simon Kassel, Electronics Specialist; Mr. Jim Stowell, Communications Unit; and Col. W. Onacewicz, head of Military Science and Logistics Section.
3. A brief statement of the problem under investigation is attached in order that you may become familiar with the scope of our interest. It is understood that the nature of the available information will not permit answers for many of the questions raised.
4. The time period covered will be from December 1957, when the reorganization was announced, to the present time. It is requested that any information in support of this request be forwarded to this Branch by 28 March 1958, with supplemental information in April and May, if such should become available.
5. The information may be prepared and forwarded in any manner convenient to your Office.
6. Any support which can be provided us will be greatly appreciated.
